Rules & Regulations for Dog Jump Competition

- The competition is a test of the dog's jumping ability.
- The competition is open to all dogs and bitches.
- The dog is to jump over the wall; however, the dog can touch any part of the jump to get over the wall.
- There must be a handler at the top of the jump to act as a catcher if necessary, and a handler as a catcher at the bottom.
- The dogs can be encouraged over the jump by a handler, vocally or visually.
- The dogs can remain on the lead during the run up and jumping, however the dogs cannot be assisted by either handler by pushing or pulling the lead or the dog.
- All dogs not jumping must be on a lead, with a handler in the marshalling area away from the jump run area.
- Only one dog may be loose in the competition area at any one time.
- Each dog is allowed three jump attempts at each height, if necessary, until only one dog remains to provide a winner. If more than one dog has jumped the final height a count back on refusals is to be done and the dog with the least refusals will be the winner. If all are equal the prize is shared, with each dog declared joint winners.
- Dogs shall be disqualified if unsuccessful on the 3rd attempt.
- Any mishandling or misuse of any dog will incur immediate disqualification.
- Bitches in season are not permitted on the ground.
- If, in the opinion of the stewards, a dog is unsafe to other competitors or the public, it will be withdrawn from the competition.
- Each entrant must have completed and signed the Entry Form, and agree and understand that their dog/dogs and they have entered the competition at their own risk and that the conveners and/or their representatives accept no responsibility for any risk or injury, however caused.
